The Preshest News, the Fairest Editorials and the Best Selections.

In issuing its prospectus for 1879, the Republican proposes to maintain its char-acter and rank in the fore front of American newspapers. Never we're its facili-ties for the collection of news surpassed. The paper will be a constant reflex of the most reliable intelligence obtainable from all parts of the world. Its editorial discussions will continue to be dignified, and aim as heretofore, to give to the reading community the fairest presentation of the fast whilst always on the alert for exciting subjects. It

not padder to vitiated tastes. In all its departments it will have the freshest and most convenient slape.

The Republican is devoted to the interests of the Mississippi Valley and its great commercial emporium, and will use its best abilities to promote them. It realizes that the future empire of the country lies in the West and South. To combine the political and business relations of the two sections in influencing the legof the two sections in influencing the legislation of congress in behalf of long neg-lected rights, will be a part of its mission opporting every Democratic national and State ticket—the Republican expects

the events to be dealt with in the near future will be of commanding turport-atice. The proceedings of congress and of the state tegislatures will possess great interest. During the year the political issues will be shaped on within the Presi-dential election of 1880 must be conductelled as a Commercial, Political and Family Journal, the proprietors urge up-on their friends their best citorts to extend its circulation.

THE TRI-WEEKLY REPUBLICAN. The Tri-Weekly Republican is published on Mondays, Wednesdays and Fridays, and is especially adapted to the wants of those subscribers who are not so situated as to receive a duity mail. It contains not only the cream of the Daily Republican, but tractically all the news of the week published in the seven issues

Unusual attention is given to the Week-Republican, and it is the very best ews Weekly in the country. It is spe-ally edited, and is not a more compilascaldes a large amount of m scellaneous ending matter, short stories and choice
